

So you're thinking about building a geospatial **data portal** ?

A compilation of hard earned lessons from the
North Carolina Coastal Atlas

Rob Howard

Department of Geography, Planning
and Environment

Who is Rob Howard?

- ✧ **Research Associate** in the Department of Geography, Planning and Environment
- ✧ **Co-Director** of the ECU Center for Geographic Information Science
- ✧ Original **developer** of the North Carolina Coastal Atlas along with Dr. Tom Allen
- ✧ I do mappy things...

The game plan

1. In the beginning...
2. ArcGIS Online, OpenData, Hubs and more...

In the beginning...
